Parental Waiver and Consent Form

At any time before opening day or during the camp season, Red Sky Sports Academy LLC retains the right to cancel the enrollment agreement if we determine that the physical, mental or emotional condition of the child would prevent him/her from participating safely and satisfactorily in our program or interacting positively with other campers.

Red Sky Sports Academy LLC can initiate the cancellation of this agreement and the dismissal of the child if, during the camp season, the child or his/her agents exhibit unacceptable behavior which prevents our staff from safely supervising him/her or proves detrimental to himself/herself, other campers, or staff members as determined by the Camp Director.

As the parent or legal guardian of the child named above, I hereby give my full consent and approval for my child to participate as a camp member in the sports designated by Red Sky Sports Academy LLC. I understand that there are certain risks of injury inherent in the practice and play of these sports, as well as in traveling and other related activities incidental to my child's participation, and I am willing to assume these risks on behalf of my child. I hereby certify that my child is fully capable of participating in the designated sports and that my child is healthy and has no physical or mental disabilities or infirmities that would restrict full participation in these sports, except as listed above.

I give permission for my son/daughter to be medically treated in the event that I am not available for an emergency during Red Sky Sports Academy LLC. The emergency contact will be notified as soon as possible.

In addition to giving my full consent for my child's participation, I do hereby waive, release and hold harmless Red Sky Sports Academy LLC, its officers, coaches, sponsors, supervisors and representatives for any injury that may be suffered by my child in the normal course of participation in the designated sports and the activities incidental thereto, whether the result of negligence or any other cause.

To the best of my knowledge, the above information is accurate.
